

**UW Advanced Materials Industrial Consortium
Annual Meeting Agenda**

October 10-11, 2011

Engineering Hall – 1610 Auditorium and Lobby

Note: Wireless access is available

Wednesday, October 10

4:00 PM *Informal Reception & Poster Session* Lobby

7:00 PM IAB Dinner TBD

Thursday, October 11

7:30 AM *Continental Breakfast* Lobby

8:00 AM Welcome and Announcements / 2012 Consortium Status Jon McCarthy

8:15 AM Materials Research Science & Engineering Center (MRSEC)
New Leadership, IRG Highlights Nick Abbott

8:45 AM Nanoscale Science & Engineering Center (NSEC)
New Leadership, Thrust Highlights Padma Gopalan

9:15 AM *Break/Poster Session* Lobby

10:00 AM Organic/Semiconductor Interfaces and Films Paul Evans

10:30 AM Multifunctional Polymer Nanoparticles for Targeted Drug/Agent
Delivery Shaoqin Gong

11:00 AM Facilities Update Jon McCarthy

11:30 AM *Lunch & Student Poster Session* Lobby

2:00 PM Advanced Materials for Energy and Electronics Michael Arnold

2:30 PM Designing New Polymers for Commodity Applications Mahesh Mahanthappa

3:00 PM *Break* Lobby

Member Showcase Session

3:15 PM A Regional Nano Technology Resource NanoVoX

3:30 PM Materials Science Group at Aldrich Sigma Aldrich

3:45 PM Energy through Nanotechnology SolRayo

4:00 PM High Throughput Sample Prep-Handling Microscopy Innovations

4:15 PM Conclusion Jon McCarthy
