

## Important Notes:

\*The soft materials lab is located in the basement of Engineering Hall, which can be accessed from the northeast corner of the building (see star on map)

\*Follow signs to find your destination, or ask your demonstrators how to get to your next appointment.

\*If you need assistance, please contact Julie Last at [julie.last@wisc.edu](mailto:julie.last@wisc.edu) or 608-345-7287. There will also be a table set up in the lobby of the Materials Science and Engineering Building for anyone who needs assistance, lost their schedule/map, etc.
